

## Advanced Modern Apprenticeship in Engineering Maintenance Sizewell B Power Station

**Apprenticeship** – Consists of a 4 year modular programme. The first 2 years of the scheme will be residential at HMS Sultan (Portsmouth) and the last 2 years are spent at Sizewell B. You will gain NVQ level 3 and BTEC ONC (Level 3) qualifications with the option to complete a BTEC HNC (Level 4/5).

**Entry Requirements** – 5 GCSE's (or equivalent) at grade C or above (to include Maths, English Language and Double Science). If you have not completed your GCSE's at the time of applying, please use your predicted results.

**When to Apply** – The application process is open from 2<sup>nd</sup> November 2015 to 15<sup>th</sup> January 2016.

**How to Apply** – Application forms are available online at [careers.edfenergy.com/apprentices](http://careers.edfenergy.com/apprentices)

**Psychometric Testing** – Anyone who meets the entry requirements will be invited to attend the testing process. The tests we use are Technical Understanding, Numerical Reasoning, Mechanical Comprehension and Fault Diagnosis. You can find examples of these tests at [www.shldirect.com](http://www.shldirect.com)

**Interview Stage** – The interview stage consists of an interview panel discussion and a practical assessment.

**Successful Candidates** – Before being offered an apprentice position you will be required to complete and pass the following; An onsite medical, security vetting application and references. The entry requirements must be met and will be verified prior to entry into the apprenticeship scheme.

Pay Scales (1 <sup>st</sup> July 2014)	
Year 1	£10,365
Year 2	£12,451
Year 3	£15,993
Year 4	£19,566
