Dear Parents

Camps International 2020 Opportunity Year 9 & 10 Students

On Monday, Anna Gibson from Camps International came into school to talk to students in Years 9 and 10 about a once in a lifetime opportunity to visit Cambodia and the Angkor Wat world heritage site for four weeks during the 2020 summer holiday.

Camps International is an award-winning international volunteer travel operator that runs ethical and sustainable school expeditions across Africa, Asia and South America. Their expeditions offer a real and authentic cultural experience for students, which helps to challenge their view of the world and understand the day-to-day challenges faced by rural communities. Their projects transform communities and help them overcome significant issues including access to clean water, education and housing.

Academic success is just one element of education. Experiences such as this go beyond the classroom, increasing student's self-worth, developing key life skills and giving them a broader cultural understanding in an increasingly international 21st century.

The cost is £3900pp which students will need to raise through fundraising, corporate sponsorship and family support. The trip is all inclusive in terms of flights, accommodation, travel, insurance and food. This is not a school trip but, if there is sufficient interest, school staff will accompany students.

Anna Gibson will be holding an information evening for parents and students on Wednesday 6 March 2019 in the main hall starting at 6.30pm and you are very welcome to attend.

Yours sincerely

Mr R Hawkes
Assistant Principal
