22 November 2018

Dear Parent

### Science Revision Guides & Workbooks: Year 9, 10 & 11

Students in Years 9, 10 and 11 are currently studying the new AQA Trilogy (Combined) Science course which will be part of the summer 2019 exam series. This leads to a double award qualification in Science and covers Biology, Chemistry and Physics units. In order to support your child with the course and revision, we are able to offer you the opportunity to purchase revision guides at a reduced, schools only price. If your child bought revision guides last year, there is no obligation to buy them again this year. We have made these guides available in Science lessons so that students can have a look at them and decide which format suits them better.

**Collins AQA GCSE Revision Combined Science**  
**£9.00 each for Foundation or Higher Level**

**CGP GCSE Combined Science Revision Guide**  
**£5.50 each for Foundation or Higher Level**

**Daydream Education Pocket Sized Posters GCSE Combined Science**  
**£4.99**

If you would like to take advantage of any of these offers, please order and make payment using ParentPay online no later than Monday 3 December 2018 so that we may place an order before we close for the Christmas holiday. We will advise students in class when they are able to collect their order from the Finance Office window. If you do not have a ParentPay account, your child can request a PayPoint barcode before school from Miss Green in the finance office. Payment may then be made in cash or by card at participating stores such as the Coop.

Yours sincerely

Gary Russell  
Team Leader for Science
