Principal - Mr Garry Trott

Our ref: ABR/EPE

12 July 2018

Dear Parent

Year 10 Creative Studies: Craft

As you are aware your son/daughter has been studying NCFE level 2 Creative Studies: Craft through out Year 10. Following some disappointing communication and clarity from the awarding body, we now do not believe continuing with this course is in the best interests of our students.

We believe your son/daughter should have every opportunity to succeed in studying a course which is transparent and accessible. Therefore, we will be changing the course to the alternative of WJEC Eduqas GCSE (Art & Design) – Three Dimensional Design.

Fortunately, many tasks undertaken this past year can be transferred to the new course including some tasks from the recent PRE exam. We also feel our students will be engaged by doing only two units, one of which ends with a 10 hour practical exam where they use the workshop to make their final product.

To assist you son/daughter in making this transition, we have arranged to take each class off timetable on one day next week to brief them on the requirements of the GCSE 3D Design course and launch the theme for unit 1.

- 10B will be in B7 with me on Monday 16 July following the normal school day
- 10D will be in B7 with me on Wednesday 18 July following the normal school day

Students will still be attending tutor time as normal and they will have break and lunch at the normal times.

We are disappointed in having to make this change half way through the course but we are confident the change will better help your son/daughter to achieve a successful qualification. If you have any questions about the GCSE 3D Design course or the intervention put in place for next week, then please don't hesitate to contact me.

Yours sincerely

Mrs A Brown
Teacher Leader of Technology
