Dear Parent

School Nurse Drop-In Clinic

Thanks to the School Nursing Team, we offer a regular health service in the academy for students in all year groups. This weekly drop-in facility takes place on Thursday lunch times between 1.10pm -1.50pm in Meeting Room 2 next to the main hall. At the end of May, the nursing team will be introducing themselves and the service they offer at House assemblies.

The school nursing team are specialists who are qualified to give confidential advice and support to our young people in the field of Sex and Relationships (SRE) including:

- Emotional health and wellbeing advice
- Counselling
- Condoms and contraception advice as well as emergency pregnancy tests
- Chlamydia screening
- Referrals to a GP or Suffolk Sexual Health Clinic

The school nurse drop-in clinic is an established service. It is highly regarded as a positive partnership for schools and supports our own pastoral care system for students. Supporting our young people in making informed decisions about their personal health and well-being is key to the relationships they will develop as they mature into young adults.

Yours sincerely
