Dear Parent

Student Name & Form (Y9): Fine Art GCSE Course – September 2018

We are delighted that **student name** will be studying the Fine Art GCSE course from September when they start in Year 10. During the two year course, students will use a wide variety of media and materials, most of which will be provided and funded by the art department. There are also some essential pieces of equipment and resources which they will need to obtain themselves, in order to complete coursework and home learning. We are able to offer the following GCSE artist pack for a discounted cost of £12.70. This represents excellent value for money:

- Four x square art sketchbooks for coursework
- an A4 art wallet
- a paint brush
- a watercolour set
- three shading pencils
- a white gel pen and a fine liner pen

Over the course of the two years, students will receive their new sketchbook as each new project commences. These materials will also aid home learning tasks. I would advise your son/daughter to bring an apron or old shirt to wear in all of their art lessons to protect their uniform from being spoiled as some of the paints are not water-based.

I will write to you again before we get to the exam project in Year 11 when they will need to order their last sketchbook for the course, this might be bigger depending on what medium they feel they would like to work in and what would stretch their skills. There may also be an opportunity for students to participate in art trips and you will be notified of these as they arise; they are optional.

The artist pack will appear in the 'Pay for Other Items' box on ParentPay. So that we can ensure delivery for the start of the new academic year, please place your order by 20 July 2018. If you do not have a ParentPay account and would like one, please send a request by email to wa-data@westbourne.atrust.org.uk. If you wish to make payment in cash, please ask your child to take this to the finance office window at 2.50pm. Please contact me at school if you have any queries.

Yours sincerely,
