Our ref: ABR/EPE

14 September 2018

Dear Parent

Year 10 Design Technology Contribution (£10.00)

We hope that your son/daughter has been enjoying their study of Technology so far this year. We are pleased to see our students developing their knowledge, and experimenting with the working properties of a wide range of materials including timbers, polymers and metals.

As part of their study, students are required to manufacture a number of high quality products. We encourage our students to take pride in all their technology work including their practical making. Therefore, we require a contribution of £10 to help continue to provide high quality tools and materials, which will be used to make the final products. This contribution means that your son/daughter will be able to take home their products to keep upon the completion of the assessment process.

This contribution covers the costs of all practical elements, however depending on the individual designs of your son/daughter, we may require components to be provided by the student or a further small contribution in be made in Year 11.

Please make your £10 contribution by Friday 28 September via ParentPay. It will appear in the 'pay for other items' box. If you use PayPoint, please contact Miss Green on 01473-466157 so that a barcode may be created for this purchase. If you have any questions about making the payment or about your child's study of Design Technology then please feel free to contact me.

Yours sincerely

Mrs A Brown
Team Leader of Design Technology
