Dear Parent

Ahead of the summer GCSE PRE examinations for Year 10 and their final exams in 2020, the Geography department would like to offer a recommended revision guide. The revision guide briefly covers all major parts of the Eduqas GCSE (9-1) Geography B specification in colorful format that should provide a good starting point for your son's/daughter's revision.

The revision guide is available at a discounted price of £2.99. Students will also be provided with a laminated bookmark so that they only revise the correct topics. If you would like to purchase the revision guide, please buy online via ParentPay. Students will then be notified of when they can collect their order from the Finance Office. If you don't have ParentPay, your child can request a PayPoint barcode from Miss Green in the Finance Office before school. The deadline for ordering is **Friday 1 February 2019**.

In addition to revising from the revision guides, students should also be using their exercise books from Year 10. We also recommend that students use the GCSE Bitesize revision website that has a specific section dedicated to the exam board that we use: <https://www.bbc.co.uk/education/examspecs/ztp2qty>

Further to the revision guide students also have access to a Geography revision app. This app allows students to revise content from the course on their mobile devices or computers. The app is available on the app store, android and as a web-based app. Student logins are as follows:

School ID = WB1108

User ID = Surname and first initial (no space)

Password = Surname and first initial (no space)
