Dear Parent/Carer

GCSE English Revision Guides – Year 10 & 11

Ahead of the summer 2018 GCSE examinations for Year 11 and the PREs for Year 10, the English department would like to offer a range of recommended revision guides, at discounted prices. If students would like just one general revision guide, then we recommend just the top guide (Complete Language and Literature). However, all of the guides listed below are tailored to your child's upcoming examinations and would prove very useful. Most importantly, they all feature quizzes and practice exam questions. Completing these has been shown as one of the most effective ways to revise.

Moreover, we are also offering copies of the key texts the students will be studying throughout the year. These are not essential but are useful if the student would like their own copy to add notes to, use for homework and use for revision.

If you would like to purchase any of the guides listed below, please place a tick in relevant box(es) and return this letter (with the correct cash or a cheque) to the Student Payment office at break time, by Friday 20th October 2017. Students will then be notified of when they can collect their order from the Student Payment office.
