16 January 2018

Dear Parent

### **Year 11 Parent Evening - Thursday 1 February 2018 Online Appointment Booking System**

You are invited to the Year 11 parent evening which is being held in the main hall on Thursday 1 February 2018 between 4.00 and 7.00pm. The purpose of the evening is to give you the opportunity to come into school to meet your child's teachers to discuss progress and development. The evening also allows the opportunity for concerns to be voiced.

Once again, we will be using the online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. Appointments can now be made and will close on Tuesday 30 January 2018 at 23:55hrs. Should you wish to make any changes after this date please contact the school office. To book your appointments we have included a link on our website under the Parent section headed Parent Evenings where you will find the link to the system.

If you do not have access to the internet please contact the school office (01473 466133 or 466132) who will be happy to add appointments on your behalf.

The National Citizen Service will also be on hand at parent evening to talk to parents and students about the four week programme available to young adults age 15 – 18 and which takes place in the summer holidays. The NCS scheme is designed to improve confidence, friendship, problem solving and team building skills – skills which are essential for further education and the workplace. Two weeks of the course is spent on a residential programme and two weeks working within the local community. Once complete, participants will be awarded a nationally recognised certificate, which will help with the application for further education and employment. The maximum charge for the four weeks is £50. For more information and to sign up please visit the NCS stand at parents evening. Several ex-Westbourne students have been involved in the NCS in recent years and found the experience very rewarding.

I know that you will want to come to this very important evening in order to discuss your child's progress as they reach the final stages of their secondary education. Staff will be sharing revision techniques and how you can support your child to achieve strong GCSE results in the summer examinations. Thank you for your support and assistance.

Yours sincerely

Mr G Trott  
Principal
