Dear Parents/Carers

Year 11 Easter Revision Sessions

In school yesterday and today, students in year 11 have been given a personal timetable of revision sessions being hosted by various subject staff over the Easter holiday. These will be different for every student and depend on the subjects they study. The only exception is **Monday 3rd April** when the whole year group is involved with Maths revision.

Students who have a morning and afternoon session will be able to spend their lunch time in the Food Hall or the outside seated area. Students will need to provide their own food and refreshment as appropriate. Whilst school uniform is not required when attending revision sessions in the holidays, we would expect students to be appropriately attired nevertheless.

Students attending Art/Photography sessions should please bring their folders/sketchbooks with them as well as any other materials or research.

We would encourage your son/daughter to attend as many of the target revision sessions as possible. On the basis that you are happy for your son/daughter to attend, please complete, sign and return the consent slip below. Students should bring this to the Maths revision on Monday 3rd April. Thank you for your continued support.

Yours sincerely

M Bouckley
Vice Principal
