Our ref: MBO/EPE

12 January 2018

Dear Parents and Year 11 Students

Year 11 Revision Sessions, Night Club & Science PREs

This is to advise you that all Year 11 students will be sitting a PRE exam in Science in their usual timetabled lessons week commencing Monday 29 January 2018 (week 1 of timetables). Students will sit the following PREs:

- **Biology Paper 1:** This will cover Cell Biology, Organisation, Infection & Response and Bioenergetics.
- **Chemistry Paper 1:** This will cover Atomic structure and the Periodic Table, Structure and Bonding, Quantitative Chemistry, Chemical changes and Energy changes.
- **Physics Paper 1:** This will cover Energy, Electricity, Particle model of matter and Atomic Structure.

The purpose of students sitting these Science PREs is to give them further practice at answering the papers in the correct format and to encourage students to start revising and preparing, not just for these PREs but also for their final exams in the summer term.

Later this term, students in Year 11 will sit the remaining three papers in Biology, Chemistry and Physics as well as round two of PREs in other subjects week commencing Monday 26th February. Students should ask their Science teacher for more information if they have any queries about the Science PREs.

In assembly on Monday, Year 11 students received the results of the PREs they took last term. There was a real buzz in the air, which was great to see. We asked students to reflect on their school career to date and to focus their attention to how best to use the time they have left to secure the post-16 options they desire. The summer 2018 exams and the end of secondary school are approaching rapidly but there is still time to put in some extra effort and work hard to achieve the results that students deserve.

To support our Year 11 students to achieve the very best in their final exams, we will be running period 6 and period 7 subject revision sessions from Monday 15th January. Timetables will be issued and students will be expected to attend these sessions after school from 2.50pm to 3.50pm as applicable.

In addition, we are now holding Year 11 Night Club in the LRC each Monday to Thursday from 4.30 – 6.30pm. Students can use this time to revise in a quiet place, revise with friends or use the computers. They are supervised at all times by a member of the senior leadership team. My colleagues and I look forward to meeting you at the Year 11 parent evening on Thursday 1st February.

Yours sincerely

Mark Bouckley
Vice Principal

This is a letter about important school information. If you are unable to read this information because English is not your first language, please ask someone who speaks English to contact the school on 01473 742315 or email office@westbourne.atrust.org.uk
