Dear Parent

Ahead of the Summer GCSE examinations for Year 11 and the PREs for Year 10, the Geography department would like to offer a recommended revision guide at a discounted price. The revision guide briefly covers all major parts of the Eduqas GCSE (9-1) Geography B specification that your son/daughter has been studying.

The revision guide is available at a discounted price of £7.40. If you would like to purchase the revision guide, please buy online via ParentPay. Students will then be notified of when they can collect their order from the Finance Office.

In addition to revising from BBC revision guides and the students using their exercise books, we recommend that students use the GCSE Bitesize revision website which has a specific section dedicated to the exam board that we use:

<https://www.bbc.co.uk/education/examspecs/ztp2qty>

Further to the revision guide and website we have also recently subscribed to a Geography revision app. This app allows students to revise content from the course on their mobile devices or computers. The app is available on the app store, android and as a web based app. Students have been given their own personal login details but if they have lost these please do not hesitate to contact me.

Access the app via computer:
