Dear Parents

Year 7 DT Contribution

I hope that your son/daughter has been enjoying their introduction to food safety and healthy cooking so far this term. I thank you for providing the necessary ingredients; we are always pleased to hear of occasions when students have been practising cooking at home.

After Christmas, we will begin exploring Design Technology by working with timber to manufacture a small designer storage box. We encourage our students to take pride in all their technology work including their practical making. Therefore, we require a small contribution of £3 to help continue to provide high quality tools and materials, which can be used to make the final product. Your son/daughter will be excited to make a high quality box and will look forward to taking their box home to keep.

Please make your £3 contribution by Friday 15th December via ParentPay. If you use PayPoint, please contact Miss Green on 01473-466157 so that a barcode may be created for this purchase.

If you have any questions about making the payment or about your child's study of Design Technology then please feel free to contact me.

Yours sincerely

Mrs A Brown
Associate Team Leader of Design Technology
