14 September 2018

Dear Parent

### **Year 8 Design Technology Contribution (£4.00)**

We hope that your son/daughter has been enjoying Design Technology so far this term. We have been studying the working properties of metals and will soon begin the manufacture of high quality keyrings and pendants. Year 8 students will be developing their skills in computer aided design and manufacture (CAD/CAM), and combining these skills with metal pewter casting to create an individual and high quality professional looking product.

To help us to continue to provide high quality tools and materials for students to use to make their final products, we require a small contribution of £4.00. In addition, your son/daughter will explore textiles to make their own felt and create a mobile phone case. Your son/daughter will look forward to bringing their final products home to keep.

Towards the middle of the year, your son/daughter will study food safety and healthy cooking where he/she will cook a variety of healthy, affordable and appealing dishes. You will be informed of the ingredients to provide nearer the time.

We ask that you please make your £4.00 contribution by Friday 28 September via ParentPay. It will appear in the 'pay for other items' box. If you use PayPoint, please contact Miss Green on 01473-466157 so that a barcode may be created for this purchase. If you have any questions about making the payment or about your child's study of Design Technology then please feel free to contact me.

Yours sincerely

Mrs A Brown  
Team Leader of Design Technology
