Our ref: ABR/EPE

14 September 2018

Dear Parent

Year 9 Design Technology Contribution (£3.00)

We hope that your son/daughter has been enjoying their study of food safety, healthy cooking and catering in Technology so far this term. We thank you for providing the necessary ingredients when required. We are always pleased to hear of occasions when students have been practising cooking at home and this will prepare your son/daughter well if they choose to study Hospitality and Catering with us next year.

After Christmas, we will begin exploring Design Technology by working with timber, polymers and metals to manufacture a hanging storage product. Again, this contextual challenge will help prepare those students wishing to Study GCSE Design Technology next year.

We encourage our students to take pride in all their technology work including their practical making. Therefore, we require a small contribution of £3.00 to help continue to provide high quality tools and materials, which can be used to make the final product. Your son/daughter will be excited to make a high quality hanging storage product and will look forward to taking it home to keep.

We ask that you please make your £3.00 contribution by Friday 28 September via ParentPay. It will appear in the 'pay for other items' box. If you use PayPoint, please contact Miss Green on 01473-466157 so that a barcode may be created for this purchase. If you have any questions about making the payment or about your child's study of Design Technology then please feel free to contact me.

Yours sincerely

Mrs A Brown
Team Leader of Design Technology
