Dear Parents

### DESIGN TECHNOLOGY

At Westbourne Academy we take great pride in the delivery of Design Technology as students are actively involved in practical learning across a wide range of specialist areas (Graphics, Resistant Materials, Systems & Control, Cooking & Nutrition and Computer Aided Design/Computer Aided Manufacture).

We firmly believe that students benefit from having ownership of the products that they make in lessons and to assist the department in providing quality materials and components for the projects, we would be very grateful for a **£3.00** voluntary contribution towards the cost of these resources. This will allow the department to continue improving the quality of products made by students in Key Stage 3.

For this amount, students will be able to take home all of the projects that they make in Year 7. Please note that when Cooking and Nutrition lessons take place, **students will be asked to provide their own fresh ingredients.**

Payment should be made via the Student Payment Office but only at break time.  
Thank you.

Yours sincerely

Mr M Foreman  
Design Technology Team Leader

*Please return to the Student Payment Office but only at break time.*

**Student Name:** \_\_\_\_\_
