Dear Parent

I am writing to invite you and your child to attend a Parent’s Evening for GCSE Maths which will take place on the evening of Thursday 12th January 2017 between 6pm to 7pm.

Following a presentation in the Main Hall you will be invited to meet with your child’s class teacher for more detailed information.

The purpose of the evening is to give you, as parents, a greater understanding of the progress your son/daughter has made to date on the course and importantly, to also offer advice as to how they can still improve further before the end of the academic year. We will also be providing revision material and advice on suitable resources to assist their learning.

If you have any questions ahead of the evening, please feel free to contact me on the above number or by email at clare.moore@westbourne.atrust.org.uk

I hope you will be able to attend this evening and help us support your child to achieve their maximum potential.

Yours sincerely

Miss C Moore
