Dear Parent

Year 9 Westbourne Progress Review Examinations – 16th – 20th January 2017

Year 9 students will be undertaking Internal Exams (PRE) in the majority of their subjects during this week.

The timetable can be found on the reverse of this letter for three of their subjects. The remaining subjects will be timetabled during their normal lessons.

In an attempt to provide students with an experience as real as possible to their final GCSE Exams these three examinations will be held in the Sports Hall unless otherwise advised.

Students will be issued with their own copy of the timetable detailing the start time of each examination, confirmation of the room and their seat number. It will be their responsibility to ensure that they attend exams at the correct time. On the reverse of this timetable will be a checklist of what to remember to bring and do on the examination days. This includes bringing at least two black biros and any other necessary equipment especially a Casio FX-83GTPlus scientific calculator for Maths.

Please ensure your child knows the exact dates and times of all their examinations. They should arrive 15 minutes prior to the start time of the examination and place all personal items in the Secure Container next to the Sports Hall.

The examination boards are insistent that the mere possession of a mobile phone/electronic device or smart watch by candidates in the examination room is grounds for disqualification in GCSE examinations. In preparation for this please ensure that your child does not carry a mobile phone, or any other communications or data-storage device into the examination room.

These exams are crucial for teachers to check students' progress and will be used to inform you of your child's progress and expected grades.

Thank you for your continued support and if you have any questions do not hesitate to contact me or Mrs C Wastell, Examinations Officer.

Yours sincerely

M.Bouckley
Vice Principal
