

## Westbourne Academy Destination Data - 2018

At Westbourne we work hard to advise students on the best progression pathway before they leave us. We help students to fill in applications and prepare them for interviews. We also follow up on our students in September, to ensure that they have taken up their places. For students that are identified as NEET, we offer a meeting in the Academy to discuss their options.

2016 leaver destinations	Number of students	% of students
Apprenticeship	9	4.36
College or sixth form centre	187	90.77
Other education or employment	6	2.91
